

# Instructions for Patients Screened for COVID-19

Results will be available online through MySparrow.

## How will I receive my results?

Access your results online through **MySparrow** Portal:

If you **HAVE** a **MySparrow** account, visit [Sparrow.org/MySparrow](https://Sparrow.org/MySparrow)

## What precautions do I follow until I receive my results?

Continue to exercise precautions such as social distancing, frequent hand washing, wearing of a mask or face cloth in public, and other CDC guideline recommendations.

## What precautions do I take based on my results?

### **Negative Result (NOT DETECTED):**

Continue to exercise precautions such as social distancing, frequent hand washing, wearing of a mask or face cloth in public, and other CDC guideline recommendations.

### **Positive Result (DETECTED):**

Stay home, separate yourself from others in your home, and continue to monitor your symptoms. Call your primary care doctor with symptom-related questions, or start a MySparrow On-Demand Video Visit at [Sparrow.org/VideoVisit](https://Sparrow.org/VideoVisit). If you have a medical emergency, call 911 or proceed to the nearest emergency room. For further COVID-19 instructions, contact your local health department.
